#### RECAP OF TRAINING

- [- build off festival as the culmination of everything that's gone on
- [- review the key elements of the training, set pattern for future
  - leads to networking
  - leads to what's coming up
- [- let it be known each training is different
- + - idea to wrap up with magic circle with everyone having taken some piece or part of a piece of butcher paper off the wall. should be something that represents something special to them about the training. one by one, put into center and tell what it is and why
